**Payment must accompany this registration. Your child will not skate until payment is made.**

- There will be a \$10 reduction for every child in a family after the first participant.
- Your volunteer hours are based on the oldest child registered in the family.
- A player registering for the first time with the association must present proof of age by providing a copy of the player's birth certificate issued by a governmental body or a passport. (Not a hospital or baptismal certificate)
- Equipment excluding skates, stick, protective cup, neck & mouth guard will be provided to first year skaters at no cost. 2<sup>nd</sup> year players in Initiation Program can rent equipment for \$25 & \$15 end of season cleaning fee.
- Move up policy: for a player to participate in a higher level other than defined by MN Hockey, a parent must submit a written request along with this registration. You must register at the level of your skater's birth date. Requests will be considered after team evaluations are done. If your waiver is approved the skater will be moved up to the next lowest level and be required to pay the increased fee.
- Above traveling team fees include one home and away tournament. Players could have additional cost if they travel outside the association for more than one tournament. Each team is responsible to fill their home tournament.
- All participating families will be required to complete a "Volunteer 10/20 hour card" and work at the Paynesville Compost Site one-day during the summer of 2009. (You may pay off these 2 volunteer options if you are unable to complete them). Hours not completed will be assessed \$10 per hour.
- In addition to above fees, all participant families will be required to assist in two fundraisers and to work a determined amount of hours at each of your skater's home tournaments. These hours will not count on your 10/20 hour card. If you do not work them, your skater will not be able to participate in the tournament and/or you will be fined.
- Cancellations before October 20<sup>th</sup> will be pro-rated. After this date you will be responsible for the full registration fee, volunteer hours, fundraising, and compost will need to be completed or paid in full.
- I have read and understand all above information.

SIGNATURE \_\_\_\_\_ DATE \_\_\_\_\_

Please initial here \_\_\_\_\_ if you give your permission for PNLs/RL to use your child's name and/or pictures in articles representing our association.

New to the registration process this year is the requirement for all participants (players and coaches) to register and pay the USA Hockey and MN Hockey fees directly to USA Hockey before they can register with our association. This is a District 5 Mandatory Policy. Previously, PNLs Hockey Association registered participants and collected the registration fees for IP skaters and coaches on behalf of USA Hockey and MN Hockey. This year, you will be paying that amount directly to USA Hockey when you register on-line; therefore, our fees reflect the difference.

Register through USA/MN Hockey and send confirmation # to the registrar by **Sept. 4<sup>th</sup>**. The Association payment, registration form, consent to treat form, & volunteer form must be received by **Thursday, September 18, 2008**.

Here are the fees to USA/MN Hockey:\*

The total fee is \$40.00, if age 7 or older. Age 6 and under the fee is waived (but you still need to register on line). \$30.00 goes to USA Hockey and \$10.00 to MN Hockey, this is one transaction for \$40.00.
